1. Ted, I love you and I love My people. Grandeur is no problem for Me. It's not a problem for Me to walk My people in halls of grandeur. I want to, often I want to. I want to. But so few will walk there long and not suffer the consequences of the influence of money and power and control.
2. It's always warfare Ted, but so few want to acknowledge warfare or pay the price to participate in warfare at that level—those levels of warfare where prowesses powerful prowl and reign in dominating control, in depth and breadth that few can walk in—in power, in purity, in righteousness, in Me—and maintain, maintain, maintain and grow and flourish in Me. They could, they can, and some do. But roots deep are needed to spring forth to walk in honor and grandeur and not become putrid.
3. See how beautiful—see the marble, glass and brass around you, the crafted woodwork, flowers and finery from many places. I brought you here to write this today, in grandeur, physical grandeur, worldly grandeur, for Ted, you just spent hours in true grandeur—with Me, at My knee, often on your knees.
4. I will walk you to the poverty-permeated and the halls and palaces of grandeur Ted—one—if I can trust you enough. You Ted, are destined to walk in grandeur, Ted, if you walk in purity, and not become putrid.
5. So many of My people are putrid, the opposite of fresh flowing rivers of Me flowing through their belly—and thus all of their being. Rivers of waters, rivers of living water I am and I flow and I elevate those I can flow into Ted, but much more so, into those I can flow through—those who hold on to Me not, not in crumbs of complacency, but flow and flow and river Me through their lives to all they come in contact with, seeking to know Me and discern Me and see what I want to do at that moment, and hear what I want to say, if anything, or lots.
6. Oh Ted, taint not your path to fulfill your pursuit of Me and all that I am and all that I have. Purity, purity, purity, purity in your thoughts, purity in your eyes, purity in your pursuits, purity in your relationships, purity in what you let yourself see, purity in what you let yourself think, for Ted, you choose, you choose where and what and why.
7. Be big, be big, be small not, and stumble not over discouragement—boulders of things not understood that rail on your mind, if you let them. Discouragement—defeat. You were gallant today in your pursuit of Me and speaking and touching Me and allowing Me to touch you, refresh you, and standing on the promises I have given you.
8. My body must be refreshed, My body must be purified, and Ted, they choose how that's going to happen to them, to them, to them individually. They will refresh

themselves in Me, in time with Me, or they won't, and they'll reap accordingly. They will begin to actually pursue purity, or they won't, and they'll reap accordingly.

9. Officers are taking their positions in the warfare that escalates even now as you write on this marble table. The escalators and elevators take people of means up and down, up and down, up and down, and Ted, I am doing the same, even now, as you write, seasons of opportunity are ending, and seasons of opportunity are opening.

10. **This is the day of great opportunity**—for those who will seize it—in Me, in Me, in Me. Elevated, escalated and powered by Me, are the surrendered who will walk and think and look and behave, consistently, in purity, purity, purity—common sense, common sense, common sense—in My kingdom.

11. I call, I call day after day in your writings of Me to My people to choose Me and **choose to mature and choose correction and choose purity**, and allow Me to walk them to the poverty-permeated and into the marble, glass, and brass—one—with only the motivation to be Me—see Me, please Me, honor Me, glorify Me, and Ted—those will I glorify.

12. Power, power, power—oh how I want to give My body more power, power, power—oh purity. [Power rests on purity](#). Power on impurity is short lived—My power.

13. Walk forth, encouraged be, smile, laugh, enjoy Me, please, please, please. Enjoy every lunch and coffee with those of Me and pure be. Elevate and escalate them and look not for how they can help you, but how you can help them. Connect, connect, and sometimes, ever so gently, correct—in whispers, in questions, and suggestions, ever gentle and always affirming of the quester-of-Me.

14. Elegance, slums, healed, destroyed, happy, hurting, righteous, evil, -- Ted, fear none, walk as Me, with Me, wherever I talk you.

15. Teach My words, teach My words I give you that embody Me and My character and what I am calling for so clearly, so plainly, in “neon lights” before My people.

16. Categorize My words and comply with My requests numerous. Begin – of Me – last night – of Me – trust – forward – provided -- confirmation of men and machines I utilize for Me -- combination of combinations of relationships I use for Me.

17. Pray more. I will provide more. I do not disappoint.

18. Purify, purify, purify.
Simple, simple, simple.
Trust, trust, trust.
Walk, walk, run.

19. They call, they come, discern.
The come, they call, but Ted, Me.
Me please. Our relationship—first, foremost, never second.

20. Ask more. Specific be, presentation make.

I am your audience—Me, just Me.

Order, order, order your day—I am reordering your day to inclusive be of My priority – sensitive be, and say yes more, and say no more. Discern.

21. I am, I am, I am.

See Me, see Me, see Me.

22. Ted, hotels of Me, run on Me, purveyors of My values, My music, My foundation. Networks of Me, run on Me, displaying power of power that cables today know nothing of.

23. Limit Me not.

Commerce—not seek.

Obedience—seek.

24. Oh the freedom I give, I offer, I display. I give opulently, lavishly I give My freedom.

25. Enjoy My freedom and flow, and river and grow and teach and present, and grow My body.

26. I forage for no one, I grandeur, in however I choose.

Shall the potter say to the clay, fashion me thus?

Oh Ted, thank you, thank you, thank you.

Networks, friendships, worldwide.

Get ready. Now.

You're ready.
